

# EDUCATION INTERNSHIP

Location: In person in Charleston, SC or Remote | Unpaid | Experience: College Student

The Alliance for Innovation and Infrastructure (Aii) seeks a proactive Education Intern to support development, day-to-day tasks, and execution of Aii's educational priorities.

What you get from us	What we expect from you
<ul style="list-style-type: none"><li>- Create original lesson-plans for a national nonprofit and build your portfolio of educational resources for targeted age groups</li><li>- Exposure to the workflow of a public education nonprofit</li><li>- Experience in working with a team of like-minded individuals</li></ul>	<ul style="list-style-type: none"><li>- Implementation of policy-specific goals, including brand awareness throughout all completed material</li><li>- Oversight of the Aii classroom resource as well as the consistency and accuracy of educational content</li><li>- Creation of educational material that establish clear objectives for all lessons</li></ul>

This role expects the candidate to know or learn how to transmute public policy content to educational resources at multiple age levels. Program participants have the opportunity to make meaningful contribution to Aii's mission and be published. This flexible, part-time position while unpaid, will prepare you for future educational excellence. This position is flexible, part time, and provides the opportunity to work remotely if needed.

## Eligibility

- Current undergraduates in Education, Communications, English, Business, Marketing, Journalism, or similar
- Strong writing and editing skills
- Classroom experience (including mentoring, tutoring, or substituting) not required, but preferred

## To Apply

Looking to make your mark on our national work? Join us! Just send a PDF copy of your resume and a cover letter highlighting your experiences and why you should be considered for this internship role to Aii's Media Coordinator John Cassibry at [jcassibry@aii.org](mailto:jcassibry@aii.org).

## About Aii

The Alliance for Innovation and Infrastructure is an independent, national research and educational organization dedicated to identifying infrastructure related needs, creating awareness of those needs, and identifying innovative solutions to successfully address public policy challenges. Aii strives to promote proven, innovative technologies and higher safety standards to achieve a safer environment in our communities.
